WHO WE ARE

➤ About Us

- We are a SANAS-accredited B-BBEE Rating Agency, working across all sector charters.
- We specialise in providing opinions on compliancy related matters, such as ownership transactions.
- Established by Stanley Grau, the MD, MSCT BEE Services has garnered more than 15 years experience in the B-BBEE industry and is highly valued for its focus on technical applications.
- Our company is known for providing confidence to clients and consultants when it comes to interpreting requirements for compliance associated with the transformation policy.

OUR CORE VALUES

➤ Our vision and mission

Making significant change

Our mission statement is in our name: **MSCT - Making Significant Changes Together**

Knowledge sharing

We aim to provide knowledge and guidance throughout all our engagements.

A client-centric approach

With more than a decade's worth of experience, we always take a client-centric approach.

WHAT MAKES US UNIQUE?

- At MSCT BEE Services, we answer the difficult questions, such as “Why is this needed exactly?” or “How can we achieve this?” More than that, we treat each question - no matter how simple or complex - as important.
- Our team believes that every question is an opportunity to share knowledge and refine aspects of the B-BBEE policies. In doing so, we're able to contribute to impactful change in the industry, in the daily business dealings of our clients, and in the individual lives of those who benefit from the act.
